*Franchisee continues to see record-breaking growth*

**AUSTIN, Texas (May 9, 2018)** — Oasis Senior Advisors, a national franchisor offering free, community-based referral placement assistance for seniors, has announced that John Brown, CSA of Oasis Senior Advisors Austin has been awarded the company's annual Franchisee of the Year award for 2017. Brown was honored at the company's annual banquet at The Florida Hotel and Conference Center in Orlando on Saturday, April 7.

Brown has been a franchisee since March 2016 and has seen tremendous growth over the past two years. In addition to his Franchisee of the Year award, Brown is also a member of the Oasis CEO Club, which awards memberships to the top franchisees in the company.

Having worked for 36 years in the retail pharmacy field, Brown has seen first-hand the challenges that families face when trying to transition an elderly loved one to a new living situation. Additionally, as a caregiver for his mother as she progresses through the later stages of dementia with added complex medical conditions, Brown has become intimately familiar with the arduous task of making sure a loved one is taken care of and is comfortable in their golden years. He has committed himself to helping seniors through transitions and their daily living needs, providing experience and passion to do what's best for them.

“Being in this community for nearly 40 years and working in a pharmacy, I have seen plenty of families go through the emotional and exhausting experience of finding proper care for an elderly loved one. This is what motivates me to help these families and make the process simple, friendly, and stress-free,” Brown said.

Brown and his family have been in Austin, Texas for nearly four decades. This combined with his professional experience in the pharmaceutical industry makes him well prepared to help the seniors in his community and across central Texas.

As he continues to move forward with the next chapter of his life as a Certified Senior Advisor, one of his goals is to help people by continuing to give back to local nonprofits serving the aging demographic. He looks forward to serving clients and caregivers and helping families through complex transitions with compassion while focusing on their daily living needs.
