*NW Ohio Franchisees Len and Missy Kinor*

**Oasis Senior Advisors Northwest Ohio awarded Rising Star of the Year**  
*Franchisee has seen tremendous success in just eight months in business*

**MAUMEE, Ohio (May 9, 2018)** — Oasis Senior Advisors, a national franchisor offering free, community-based referral placement assistance for seniors, has announced that Len and Missy Kinor, RN, BSN, CCCTM, CSA of Oasis Senior Advisors Northwest Ohio have been awarded the company's annual Rising Star of the Year award for 2017. The Kinors were honored at the company's annual convention at The Florida Hotel and Conference Center in Orlando on Saturday, April 7.

The Kinors have been Oasis Senior Advisors franchise owners for just eight months, since September 2017, but have had tremendous success in that short amount of time. Based out of Maumee, Ohio, the Kinors have a long history of helping people. Missy's career has been spent as a registered nurse in the emergency room and in hospice, and as a care navigator. Most recently, she worked for an insurance company as a case manager. Len was a teacher and principal for 13 years at a local high school, as well as one of the managing directors for a local consultancy.

Not long before becoming franchisees, both Missy and Len had to handle the overwhelming task of finding new places for their own parents to live. The process was so tedious that the couple decided to purchase their own Oasis Senior Advisors franchise to help others navigate the challenges and stress of finding a place to live for an elderly loved one.

"Having both recently gone through the process of finding a place for our parents, Len and I are very empathetic to what others have to deal with and the toll it can take on everyone in the family. We want to make that process easier and friendlier and give our clients peace of mind," Missy said.

Their goal is to personally work with seniors and families to find the best living situation for that elderly person. Helping parents transition to a new home can be challenging in itself. The process of finding the right place should not be overwhelming. Missy and Len can help.
