Oasis Senior Advisors North Milwaukee awarded Rookie of the Year
Franchisee has seen tremendous success in just ten months in business

MILWAUKEE, Wisc. (May 9, 2018) — Oasis Senior Advisors, a national franchisor offering free, community-based referral placement assistance for seniors, has announced that Lauren O'Desky, CSA of Oasis Senior Advisors North Milwaukee has been awarded the company's annual Rookie of the Year award for 2017. O'Desky was honored at the company's annual banquet at The Florida Hotel and Conference Center in Orlando on Saturday, April 7.

Having become a franchisee just ten months ago, Lauren O'Desky has seen tremendous success helping clients find the correct senior living communities that are right for them. In addition to Rookie of the Year, she was also inducted into the Oasis Senior Advisors Presidents Club, which

is designated for top-tier producing franchisees. Lauren's dedication to helping seniors in her community has also earned her the title of fastest growing franchise.

Before becoming a franchisee, O'Desky lived and worked in Chicago as a legal technology consultant. In 2010, she and her husband relocated to Milwaukee where they raise their three young children. She's now a Certified Senior Advisor focused on growing her business and helping seniors and families.

O'Desky is active in the community as a leader in several nonprofit organizations focused on making the world a better place. She's always had the ability to create deep connections with seniors, beginning with her grandparents, and translated that into volunteer work at a local assisted living home and in her business as a senior living advisor.

"It's so important to me to listen and learn about people's past so that I can help them find a solution for a safe and secure future. Everyone deserves to live with peace of mind and a high quality of life," Lauren said.

Her goal is to personally work with seniors and families to find the living situation that best fits their needs. Helping elderly parents transition to a new home can be challenging. But the process of finding the right place does not need to be overwhelming, especially with Lauren here to help.
