

HOLIDAY CARING CARDS *for* SENIORS

Let's get creative and help WNY seniors who are unable to see their loved ones during these difficult times. Get out your construction paper, stickers, etc. and help cheer up our older generation! What a great way to make the holidays ahead a little brighter.

Oasis Senior Advisors wants to thank you in advance for your willingness to help brighten a senior's day. Due to COVID, seniors living in assisted livings and nursing homes are being restricted from visitors. This means they cannot see their families and loved ones.

SIMPLE GUIDELINES:

Please WASH YOUR HANDS before writing cards & do not seal envelopes.

On front of envelope: To Someone Special

To sign the card for children: Name and age or grade

To sign the card as an adult: Name and hometown

(Please include a Return Address on the envelope, if you wish, so seniors can write back.)

Our Goal:

Our goal is to gather 20 cards per family or volunteer. Homemade cards are welcomed and kindly place each card in an envelope but do not seal. We will deliver cards to as many senior as we can.

Please keep messages positive. (i.e., "You are being thought of today." "Hope this card brightens your day." Etc.) Use positive quotes or humor if you'd like.

Please mail cards to:
